

ECE ENGLISH CALENDAR

.....

All incoming ECE English instructors are granted provisional status; successful completion of the following steps is required for full status

ece.english.uconn.edu • scott.campbell@uconn.edu

SUMMER 2021

SUMMER INSTITUTE

Returning in 2022
These optional workshops offer the most complete engagement with both the supporting scholarship and practices of the UConn FYW/ECE courses. Time is spent, too, on developing syllabi and assignments.

ORIENTATION

Attend an ECE orientation and meet with English faculty coordinator, Scott Campbell.

UPLOAD MATERIALS

By August, use the guidelines on the ECE English website to upload course materials.

ACADEMIC YEAR 2021-22

CONFERENCE

Attend either the fall or spring conference at the Storrs campus.
[You are required to attend at least one conference every two years.]

SITE VISIT

Arrange with our office to have a representative come to your class at some point—in your first year if possible.

FEEDBACK

At any point, contact us with questions, ideas, or requests for feedback. The ECE English Program is an open system built out of ongoing, mutual exchange. As with our courses, sharing of work, feedback, and revision are essential.

REVIEW

Once these steps are completed, the faculty coordinator will review the instructor's portfolio, provide additional feedback if needed, and move the teacher out of provisional status.
